The Association has in addition given £100 to the Appeal Fund (earmarked for X-Ray plant). Schedule A Patients treated, 71. Schedule B Patients treated, 128.

# REPORT.

—000—

To the General Council of the Association—

LADIES AND GENTLEMEN,—

Your Committee submit for your approval the Twenty-first Report and Balance Sheet for the year ending December 31st, 1929.

The financial result of the year's working shows a continuation of the splendid advance that, from the beginning of the Association, has marked its progress, so that during the year, the sum of £2,200 has been handed to the Horton General Hospital general funds and £100 to the Hon. Treasurer's Appeal Fund ear-marked for the X-Ray Apparatus, making in all £2,300. The greatest part of this result belongs to the steady advance made under the "B" Scheme, nearly 4,000 Cards having been issued amongst the Units.

The Fete in July last was again a financial success, a balance of £319 1s. 9d. being realised, and your Committee tender their thanks to all who generously assisted in bringing about such an excellent result, specially the Ladies Barrel Organ Party, and the Banbury Fire Brigade, who under adverse circumstances, did everything in their power to assist us, after their programme had been depleted owing to the Gillingham Disaster.

Two successful Dances last winter increased the funds by £22 16s. 10d. A whist drive organised by the Women's Section of the Licensed Trades' Association brought in £5 17s. and the annual "Lorna Café" Whist Drive resulted in £4 4s. 9d. being added.

The following Villages have subscribed extra sums by means of holding Social Events:—

Avon Dassett, sale of Harvest Festival Produce	4	2	0
Chacombe, proceeds of Dance .....	9	10	11
Chacombe, proceeds of Social .....	2	10	0
Farnborough, proceeds of Whist Drive .....	14	12	10
Hornorton, proceeds of Social .....	1	14	10
Middleton Cheney, proceeds of Whist Drive and Dance .....	12	10	10
Milcombe, proceeds of Social .....	1	18	1
Swalcliffe, proceeds of Dance .....	6	13	2
Wardington, proceeds of Whist Drive .....	9	0	0

The Fete funds were increased by Social Events held at Avon Dassett (£3 10s. 6d.), Claydon (£1 6s. 6d.), and South Newington (£4 8s. 0d.), these amounts being included among the Fete receipts.

New Units have been formed at Claydon, Souldern, Heyford and Shutford.

Your representatives on the Hospital Executive Committee and Board of Management attend the meetings, and reports of the proceedings at the monthly meetings of Association Committee, the representation was increased for 1929 to four members on the Executive Committee of the Hospital and 18 on the Board of Management.

Your Committee tender their hearty thanks to all those who have willingly helped in collecting both in Town and Villages, and thus increasing the funds to such an extent that the contribution to the Hospital for the year was increased by £600, and bringing the grand total to £13,900 0s. 0d. sent to the Horton General Hospital since the inauguration of the Association twenty years ago.

The Committee has met 14 times during the year, with an average attendance of 14,286.

Your Committee regret the retirement of Mr. A. E. Meadows from this committee. He has given faithful service for some years, and has been greatly missed. Mr. W. Parker (whose name stood next in the ballot at the last Annual Meeting) was called in to complete the roll of the committee.

The system of Monthly Visitors has been regularly carried on by two Lady Visitors, being invited each month to represent the Units, and two members of your Committee act in the same manner. It is gratifying to recieve the reports, which speak highly of the services of the Hon. Medical Staff, the attention and devotion to duty of the Matron and Nursing Staff, and the general conditions within the Hospital.

Your Committee again express their thanks to the Matron, Assistant Matron, Sisters and Nurses for the kindness and courtesy shewn to their delegates when visiting; also tender their high appreciation of the Hon. Medical Staff for their skill and attention to the patients.

We remain, Ladies and Gentlemen,

Yours obediently,

for and on behalf of the Committee,

(Signed) M. BARRETT, Chairman of the Committee.

## OBJECT AND SCHEME.

**OBJECT.** To collect funds from the Workpeople of Banbury and District towards the current expenses of the Horton General Hospital.

**SCHEME A.** The entire scheme is voluntary, but a bona-fide subscriber is one who subscribes weekly, upon the following basis :

**1d. per week** Covers (a) the Member, and, if married, his wife and non-earning children.

**1d. per week** **Covers** (b) Single men and women, wage earners. An Admission Card is issued when required by your Collector, and entitles holder to treatment upon the following scale:—  
Adult ..... 5/0 per week.  
Child ..... 3/6 per week  
Also privileges for Massage, X-Ray, Surgical and Medical Treatment.

## **SCHEME B. The Card System.**

This System received the approval of the Annual Meeting of Members held at the Town Hall on February 4th, 1928, and is based upon the national ideal of free treatment for holders of subscription cards.

Married men, wives and non-earning children or men with dependants non-earning 3d. per week.

Free treatment includes in-patients, X-Ray, Sun-Ray, Casualty dept., or Electric Therapeutic treatments; also additional benefit at other Hospitals when necessity arises.

The Association would point out that the Card System is now being organised all over the country, and is of great advantage to every member. It is, however, to be distinctly understood that Units or individual members of Units, should have free choice as to which Scheme they adopt, but we strongly recommend the Scheme B.

**Organisation.**—The Association is ever ready to send speakers into the Villages to instruct the local leaders, and to assist in the formation of a Unit.

Each Unit is self-contained and its Officers responsible to the Association.
